

OCTOBER 2012

NEW REP. AGENCY PARTNERSHIP FOR ONTARIO

FreshAire UV is recognized the world over as a leader in the areas of UV light disinfection and indoor air quality. Products that fight odours, reduce indoor air pollution, and provide chemical-free air and surface disinfection.

**FreshAire UV appoints AIR FORCE 1 Sales & Marketing Ltd.
Sales Rep. Agency for Ontario.**

Both companies are excited to begin this new phase of our business in Ontario with a winning combination of products, service and supply.

Contractor focus is our main objective, through awareness, education and incentives.

FreshAire UV offers solutions for all Residential, Commercial and Industrial Applications.
