

ATMOSPHERE is a Canadian manufacturer of superior ventilation products. We are pleased to announce our partnership with AIR FORCE 1 Sales & Marketing Ltd. This agreement involves distribution of ATMOSPHERE'S complete line of residential and commercial HVAC products, including VORTEX POWERFAN, across Canada.

Supplying high quality ventilation products has always been ATMOSPHERE'S goal and promise. As the ventilation industry requires newer, more advanced technology, ATMOSPHERE is poised to service this market with the same high level attention to detail that has served existing customers so well.

AIR FORCE 1 will soon be contacting you to introduce ATMOSPHERE products. But don't hesitate to contact them at 416-299-1300 or t/f 800-707-6297 with any questions. We look forward to serving you!
