SALES & MARKETING LTD.

Dear Panasonic Customer

AIR FORCE 1 Sales & Marketing Ltd. is thrilled to announce the addition of another great brand to our product portfolio - Panasonic! Effective February 1, 2015, we will be representing the entire line of Panasonic Advanced Ventilation Fan Systems to the HVAC market in the Ontario region (excluding Ottawa).

Patented technologies combined with a range of options (DC motors, motion and humidity sensors, lights/night-lights, heaters etc.) make these Panasonic whisper-quiet ventilation fans industry leaders.

At your convenience, a member of our professional sales team will be happy to introduce you to the newest member of the AIR FORCE 1 family of hi-quality HVAC products. Please contact us at 416- 299-1300 or t/f 800-707-6297 to schedule your appointment today.
