AIR FORCE 1 Sales & Marketing Ltd., SpeedClean's Ontario Distributor

Stamford, Conn. (March 3, 2016) – [SpeedClean](http://www.speedclean.com), a manufacturer of residential and light commercial HVAC maintenance equipment, is pleased to announce that [AIR FORCE 1 Sales & Marketing Ltd.](http://www.airforce1.ca) will be representing SpeedClean products in the Ontario region.

“We look forward to the strong customer focus and attention to detail AIR FORCE 1’s team brings to SpeedClean,” said Michael Hardy, managing director of SpeedClean.

“SpeedClean is a line of innovative, market-leading professional maintenance tools; including the recent introduction of [CoilShot](#), a tablet-based coil cleaning system that eliminates the need for heavy liquid cleaners,” says John Harris, VP Sales & Marketing for AIR FORCE 1. “We’re looking forward to increasing awareness for all of SpeedClean’s products, helping contractors save time and money.”

SpeedClean products offer contractors quick and efficient solutions to unique maintenance problems, including cleaning coils, chillers and heat exchanger tubes, descaling tankless hot water systems, and more.

Visit www.speedclean.com to check out the company’s wide array of residential and light commercial HVAC maintenance tools.
